## **Earthwise Society Invites Community to View Sustainability Initiatives**

Delta, BC – Are you interested in making a positive impact on the environment? Would you like to learn more about projects that have a beneficial impact on the future sustainability of Delta? DRS Earthwise Society invites the Delta community to its Open House and Annual General Meeting taking place Tuesday, June 13, 2006 at the Cammidge House in Boundary Bay Regional Park. This is the perfect opportunity to learn more about local projects, contribute your ideas, as well as show your support for these sustainability initiatives.

The evening will feature displays and presentations about the many new community projects being launched by DRS Earthwise Society. The Boundary Bay Earthwise Garden will be featured with tours of the new site being offered from 7:00 until 7:30.

The evening starts with an open house, coffee and dessert bar at 7:00. A Presentation of Strategic Initiatives by Executive Director Patricia Fleming starts at 7:45pm with the Annual General Meeting following at 8:15. Come and learn more about our projects and find out how you can get involved. Call 604-946-9828 for more information.
