First Ride on Tsawwassen Community Shuttle to take visitors to Earthwise Open House

Delta, BC – Be the first to try out Coast Mountain's Tsawwassen Community Shuttle Bus for a visit to DRS Earthwise Society's Open House, followed by Annual General Meeting on Tuesday June 13. This free service will allow you to leave your car behind and enjoy an "earthwise" evening in our town. It's the perfect opportunity to try out the new community shuttle bus, learn more about local projects, and show support for the Earthwise Society's new sustainability initiatives.

The DRS Earthwise Society's Open House will take place at Cammidge House in Boundary Bay Regional Park on June 13 from 7:00 to 8:15 pm and will feature a presentation of the society's new initiatives as well as tours of the future site of the Boundary Bay Earthwise Garden. A coffee and dessert bar will be provided.

The Community Shuttle bus will pick up passengers at 6:30 at the Tsawwassen Bayside Bus stop located on 12th Avenue, just west of 56 Street. Parking is available at the Safeway lot. The no fare shuttle will arrive at the Cammidge House in time for the start of the Open House and will provide transportation to and from the site of the new Boundary Bay Earthwise Garden from 7:00 to 7:45. Return trips to Tsawwassen Bayside Bus Stop will leave the Cammidge House at 8:15 and 8:30. Parking is also available at Cammidge House.

This environmentally friendly local event is made possible thanks to community partners Coast Mountain Bus Company, GVRD Boundary Bay Regional Park, and Safe Route 56 Tsawwassen. Both community shuttle and venue are accessible to all. **Scheduled Tsawwassen Community Shuttle Service begins September 2006.** Call 604-946-9828 for more information.
